## **JULY 2011 KOS SHOW PLANNING**

Kaimuki Orchid Society is looking to you, the members to help us to put on our yearly show. If you have never helped before, this is a great time to start! The Board members will provide help and guidance. For the Kaimuki Orchid Society to continue, we need to have funds to run the club. The yearly Orchid Show is one of our main money makers for the year. This is another new location for the show this year, which means it will take more work to get the word out. All of the members of the Board have been working hard to keep the club running, and give you the activities, education and orchids that you have come to look forward to at our meetings. Please help us now by volunteering to make this show a success in its new location!
