### HOLIDAY GREETINGS FROM PRESIDENT MICHELE

Hope that everyone is healthy and happy during these holiday times. The days have passed so quickly and I must apologize for my late greeting to all of you.

So much will be happening soon. The Officers and Board members have been reelected. I am happy to announce that Tod Takahashi has volunteered to be our Vice President and was elected at our election in November. The vacancy has been filled! Hurray. Tod will continue to be our membership chairman. In February, we will have our installation banquet. Beaudine will be in charge of that. At the moment we have not decided what will be our topic for our January meeting. We will announce that as soon as the Board members meet at the beginning of January. Please check the date and place for our January 2024 meeting. We are experiencing a little difficulty with securing the meeting site and times similar to what we have had in 2023, but hope that it will remain the same.

Please send in any suggestions.

Happy Holidays

Michele

### General Notes

**Meeting Locations and Schedule** - There have been some changes with respect to the rules and regulations related to use of the facilities at the Kilauea Park and Recreation Center. This along with a few changes in Rec. Ctr. personnel, has required The Board, led by our fearless leader Michele, to work diligently to secure the accommodations that will allow our meetings to be held there. The Board will have its first meeting of the new year in about a week from now. It is hoped that meeting details will be finalized by then.

**Saturday Morning Hands On Sessions** - The plan is to resume these once a month get-togethers as the sessions have proved to be popular with attendees being able to get assistance with repotting, potting of new plants, even making wooden planter boxes, as well as a variety of other topics related to orchid culture. As conducting any monetary transactions is not allowed at our Rec. Ctr. meetings, the Saturday sessions have provided a venue for buying and selling plants as well as other items which contribute to and support club finances.

So stay tuned and keep an eye out for notifications for the meetings and Saturday sessions as the dates and times for these events are finalized.

**HAPPY NEW YEAR TO ALL**
